

Recent Church Fete at St Aldhelms.

We were indeed blessed with a superb day on which to hold the first church fete at our new site. The Dorset Wrecks Sea Shanty Band provided some great live entertainment whilst the Mighty Matts Martial Arts group showed off their impressive moves. There were a number of stalls and exhibitions from our surrounding communities. The Birds of Prey from Xtreme Falconry, proved to be extremely popular. Refreshments were provided by Margaret and her "girls". Not only did they serve numerous cups of tea and coffee but they baked all the scones and cakes which, literally went like hot cakes. Thanks too, go to Derek, who made some delicious sandwiches.

An enjoyable tea for all.

A big thank you to all who supported our fete, this may well become a regular event.

The vintage tea is fast proving to be a popular event at the church. We can assure you that the tea, sandwiches and cakes were not vintage, all freshly made. Marion, our baker produced an amazing range of cakes including fresh cream horns and eclairs - yumee! The vintage title is more directed at the service and the means by which the tea was provided -dainty cups and tea made with loose leaf tea.

The entertainment was provided by Sue, who had everyone joining in songs of the past, thank you Sue!
